It has been an eventful last couple of weeks at Carrum Primary School. On Friday the 26th of August we had our annual Book Week Parade. All the students had been planning their costumes for weeks ready for the exciting day.

We all met in the multipurpose room in the morning to parade around the room one class at a time. It was a great morning, parents watching on, everyone dressed in their favourite book character, and the hilarious teachers parade. **I think The Book Week Parade was one of the highlights of the school year so far for many people.**

We have also been working very hard for the last month trying our very best to get ready for the amazing School Concert. All the students have been getting their dances ready, scripts memorized and costumes sorted. It has been an amazing experience so far and we are all really looking forward to the school concert. And a big thanks to Mrs Hodges who has been working extremely hard to organise everything and produce an outstanding performance.

Celebrating 121 Years 1901-2022

On the 19th of August all of the 3/4s went down to Carrum Foreshore to pick up rubbish and place plants on the sand dunes. We did this to help the Carrum environment. This excursion also relates to our Inquiry project 'Sustaining our World'.

It was disgusting how much rubbish was on the beach and how much we found. After we picked up rubbish we started to plant the plants on the sand dunes. We dug a hole and took out the plant from the pot and put it in the hole. We did this to regenerate the sand dunes.

After we got back to school we sorted the rubbish into categories. The results were crazy. The biggest category were cigarettes. We found 78 and that was only after six bags. Hopefully more people will start looking after our community and oceans.

CENTRAL BAYSIDE
COMMUNITY HEALTH SERVICES

Just an hour a fortnight can make a huge difference to the wellbeing of an older person.

Join us today!

The Community Visitors Scheme (CVS) provides a wonderful opportunity to volunteer within your own community to enhance the well-being of an older person experiencing loneliness. At the same time experience something richly rewarding in your own life.

This government-funded program matches a volunteer visitor with a lonely or isolated person living in an aged care facility or in their own home.

The visits are purely social, with the intention of developing an ongoing friendship and social connectedness.

Volunteer for shared well-being and give the gift of companionship to an older person experiencing social isolation.

All volunteers must be fully vaccinated (including booster) and undergo a police check. CBCHS provide full training and support.
