Dear parent/guardian,

Carrum Primary School is looking forward to another great year of teaching and learning and would like to advise you of Carrum Primary School's voluntary financial contributions for 2023.

Our School Council is proud of the excellent quality of our facilities and resources available for our students to enjoy and few schools match the numerous programs we offer to cater for students' needs and interests. However, these do not come without some extra costs involved.

At Carrum Primary School, we design and develop learning and teaching programs drawing on the best educational knowledge and practices and strive to offer broad and enriched opportunities to students that are above and beyond what is required in the standard curriculum and what is provided for by Government funding.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

The environment and resources that we enjoy today represent the contributions made by our parent/carer community over many years. Parent/Carers contributions make significant difference to the quality of our programs. This financial support ensures that we can continue to provide the excellent range of facilities and resources for your children.

Within our school this support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with the purchasing of art, music and physical education equipment & resources as well as renewing and enhancing the provision of digital technology (including robotics) throughout the school; improving outdoor learning spaces by engaging a contractor to erect a new shade sail; upgrade the Year 1/2 deck; complete playground safety works and replacement of the old Year 1/2 portable building.

Your support in 2022 allowed us to continue to offer opportunities unique to Carrum PS:

- Radio production and presentation through Carrum Kids Radio (CKR)
- Friends of Carrum Foreshore
- Carrum Beach Patrol
- 'I See, I Care' (ISIC) Program
- Rum-B Run Farmlet
- Stephanie Alexander Kitchen Garden program
- School Production
- 5-star Sustainability program
- 'Step-up' program
- Wellbeing Program
- Host 'Big Green Schools' annual conference

Please find below Carrum Primary School's voluntary financial contributions schedule for 2023, which includes an overview of what your contributions will assist us to offer.

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of amounts owing. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule below for an indication of recommended contributions for your child/ren.

Refunds can be requested in writing.

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy, and any other relevant information.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Clem Langford (Principal)

Louise Childs (School Council President)
