

TERM 1

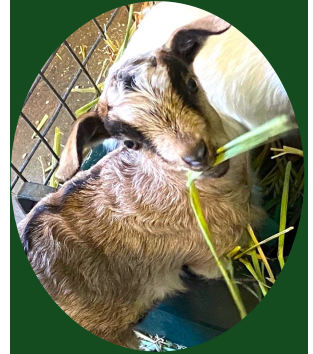

9 FEBRUARY 2023

Newsletter

The first couple of weeks back at school have been quite exciting for our year fives and sixes.

Last Friday was an exciting and nerve-racking day as a selection of our grade sixes received their leadership roles for 2023. This Wednesday on the 15th, we are heading off to Camp Woorabinda for three days and two nights.

We will return on Friday the 17th. Also swim trials will be taking place on Valentine's day next week.

This week, we have been applying our place value knowledge in the classroom and writing an acrostic poem about ourselves.

On Tuesday, eight of our five/six students ventured off on the train to the Botanical Gardens in the city. Mr Mulcahy joined them along with Ella and Sally who

work there, to work on a project about solving problems in our local area using inspiration from nature (biomimicry). We have also been doing lots of well-being sessions throughout the week about gratitude, and the zones of regulation.

*Cheers, Lily (5/6C)
School Captain*

9-10am**

Celebrating 122 Years 1901-2023

This week in 3/4 we have started to settle in and start to do some fun school work. Some of the stuff we have been working on is our holiday recount, our self portraits and our first kitchen class. We are very close to finishing our first writing piece which is our holiday recount. We have finished our self portraits

and when we hang up in the 3/4 gallery - they will look fabulous!

Our first kitchen class was great, it was great teaching the year 3's how to find the stuff we need and how to be safe in the kitchen.

Overall, it has been a great week in year 3/4 and I cannot wait to see what is ahead of us in 3/4.

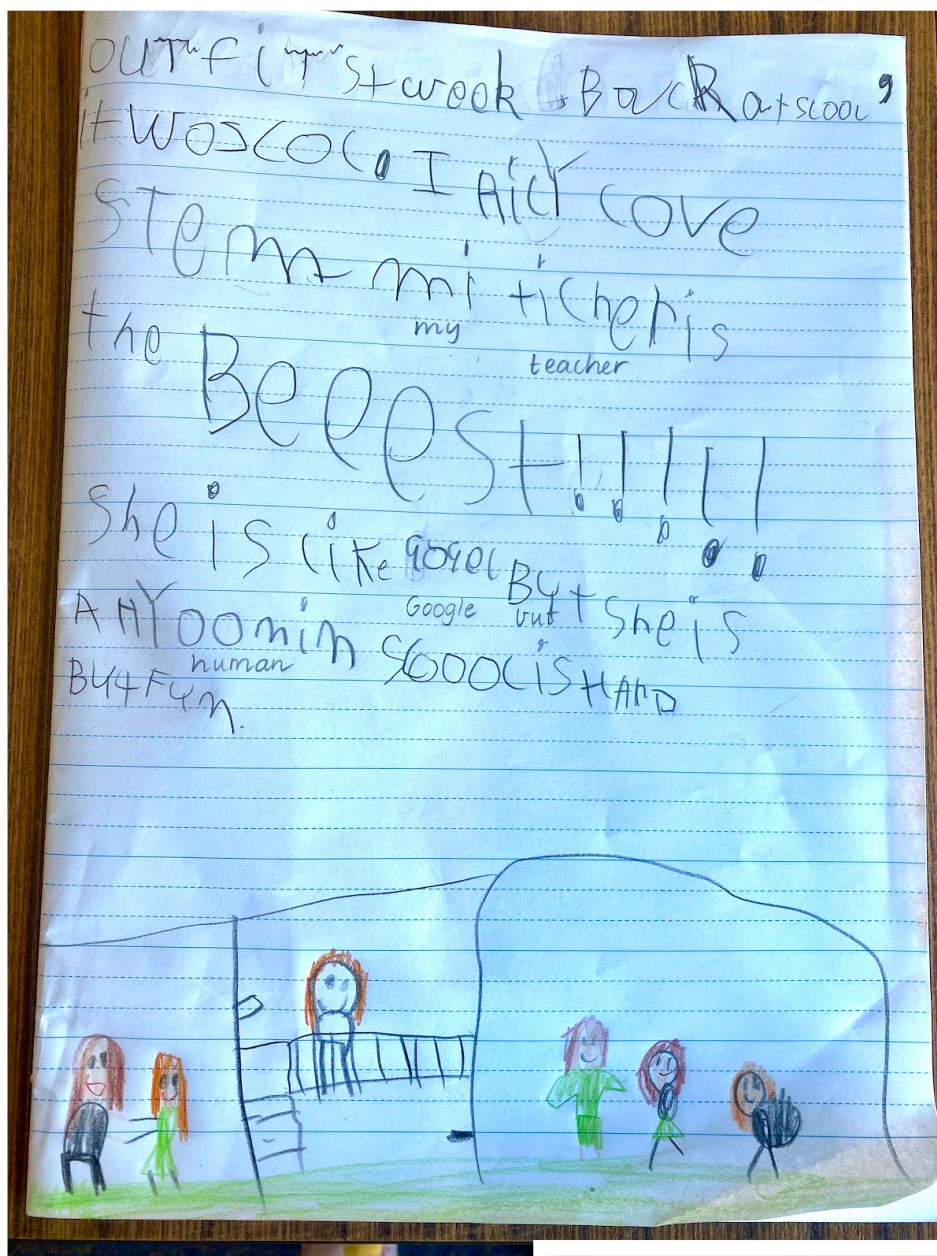

Cheers, Cienna (3/4C)
