

Term One has been full of fun and exciting things! At the start of the term we had our 5/6 Camp at Woorabinda, where we experienced new and exhilarating activities such as ziplining, kayaking, high ropes course and even being away from home with all of our friends. Closer to the end of the term there was Athletics Day where everyone got to have fun doing all of their favourite events and winning medals and points for their House - in the end Flinders was our champion.

indigenous Australians and how the Europeans invaded them. We also learnt about their cultures and the colonies they formed. The year 6s also

made their own flags to represent the indigenous Australians, while the year fives did Naplan. We also competed in Summer Interschool sports this year. The sports were volleyball, cricket, kickball and basketball. Overall this term has been a great start to this year!

Cheers, Lily School Captain

Last Day of Term 1 6 April (2.30pm finish)

This term we have done so much in the 3/4 area! We went to swimming, did podcasting, maths and art and had fun on Harmony Day.

The swimming program has been fun. We get to do a special 'fun day' - it is a day were get to go in the Wave pool and play with inflatables we also do backstroke, freestyle and games at the end.

In Podcasting we get to speak about our Inquiry work. It's the BEST! Writing a script and speaking into a microphone with headphones is very fun.

In maths we have been learning about time and it has been fun. We have booster groups in Miss Murray and Miss R. We have played games for maths and

other fun stuff.

On Harmony Day we had to dress up in yellow, red or orange, or we could wear a cultural outfit. I loved dressing in my cultural outfit.

This term has been an amazing first term of 2023.

Cheers, Safia (3/4D)

Our school^{*} is taking part in the Wonder Recycling Rewards campaign this term.

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school[®] with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school[®] earns!

Collections close 7th July.

Tip for collecting:

Use one empty bread bag to collect a bunch of other bags.

Did you know?

Last year, schools collected over **10 tonnes of soft plastic**, that's the weight of an elephant!
