**Well done to our Cross Country Team who represented that school admirably last Friday at the District Cross Country.**

Well done to all the students and I am pleased to announce that 10 students have now qualified for the Division Cross Country later in the term. Thank you to our

teachers who supported the children through the event and to all our families who cheered on our students.

**This year the Department of Education have made some changes to Foundation (Prep) Enrolments for 2024.**

Over the past couple of months, we have been running school tours for families of children who are looking to enrol their child in Prep next year. The tours alternate between Tuesday

and Wednesday morning at 9:30am, please contact the office if you would like to book in for a tour. We are now able to accept enrolments of students who are in our school zone or who have siblings at the school. Students in these categories are guaranteed enrolment at the school. While enrolment forms are not due until Friday 28th July, we do ask all our current families to get their enrolment forms in as soon as possible to support us with planning for 2024.

Families of students who live outside the Carrum Primary School Zone and would like their child to be considered for enrolment in 2024 need to complete an 'Application to Enrol' and submit it to the office either in person or via email by the 28th July. We will notify families by the 11th August if these applications are successful.

Information relating to our tour, transition dates, enrolment documentation and instructions on how to enrol your child at the school can be found by visiting the enrolment page on our website [carrumps.vic.edu.au/enrolment](http://carrumps.vic.edu.au/enrolment). If you have any questions about enrolling your child at the school, please contact me at the school on 9772 1117.

**It is very important that we have up to date contact details for all the students at the school.** At the end of last term, we sent home a request to families to update contact details and at this stage only a few families have returned these forms. Please complete these forms if you are yet to do so and return them to the office so we can update them appropriately.

**Coming into winter we tend to get an increase of colds, flus and COVID-19.** Please

continue to discuss the importance of maintaining good hygiene practices with your children to help them stay safe and healthy. Our teachers will continue to educate the students about the importance of being hygienic. Together we should be able to minimise illness over the winter months.

**Curriculum  
Day (student  
free day)  
29 May**

**Looking ahead, our Prep students will be participating in their Local Library Excursion on the 19th May.**

They will be learning all about books and how to use a library properly. The following week we have our School Photo Day on Wednesday 24th May.

**Students will need to wear their school uniform for the photos.** If you need any support with accessing uniform, please contact the office and we will do our best to help. Information on how to order photographs has been sent home. Please make sure you read through this information carefully to ensure your orders are processed correctly.

**Finally, we will be having an assembly on Friday in the multipurpose room.** It is a difficult job to lead the assembly and our students do a wonderful job. We are aware that

this space can become quite noisy with lots of people inside. We have spoken to the students this week about being a good audience and the expectations around listening respectfully. There have been a few changes to how our assembly will run. If you could support us by following the lead of the student's running assembly that would be greatly appreciated.

*Best regards,  
Clem Langford  
Principal*

**Our school\* is taking part in the  
Wonder Recycling Rewards campaign this term.**

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school\* with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school\* earns!

**Collections close 7th July.**

**Tip for collecting:**

Use one empty bread bag to collect a bunch of other bags.

**Did you know?**

Last year, schools collected over **10 tonnes of soft plastic**, that's the weight of an elephant!

**LET'S GET COLLECTING!**

\* Includes early learning centres and pre-schools.

Tag [@wonder.australia](https://www.wonder.australia) [#wonderrecyclingrewards](https://www.wonderrecyclingrewards) to share all your recycling champion stories!
