

TERM 2

18 MAY 2023

Newsletter

This term is full of exciting things including our Big Green School Conference which will be happening on Friday the 19th.

Our environment leaders Woody and Lottie will be talking to many schools about sustainability and things we do and have in our garden. We will have our year six captains taking the school groups to the different stations that will be led by our students on the environment team.

Wednesday is 'Zany Silly Hair Day' which is a great way for the students to show off their creativity and have a bit of fun.

The Junior School Council team will be going around and looking for the best hairstyles around the school from prep to year six.

This week the 5/6s have been learning about decimals and how to multiply them together.

In Art we made paper bag masks and planned to take different photos around the school with them. In Sport we played a game of soccer and in Steam and Inquiry we have been working on a project to resemble how bushfire works and what to do when it occurs. In Mandarin we have been learning and researching about Chinese idioms and where they come from and the meaning

behind them. Lastly, in the Garden we planted lots of different plants, walked the goats and cleaned up a bit.

School Captain*

In 3/4 this fortnight we have been doing a lot of free choice writing and persuasive writing.

For persuasive writing we had to pretend that Mr Langford wanted to get rid of Rum B Run, so we could write about why he shouldn't get rid of it!

Also, in Maths we have been learning a lot about column addition. We started a project about flight distances which is really cool. In STEAM, we started doing one minute films. Most of the short films are about Carrum. Let's move onto Zany Silly Hair day. It was great, there were so

many crazy hair styles in 3/4. Lastly, in our Inquiry sessions we have been learning about Indigenous Australians. Did you know that they have 250 language groups? Amazing right!

Cheers, Tayla (3/4C)

On Mother's Day I gave my mum a present. I gave her a book to write in, I love you mum. In STEAM we have been building our school. I built the $\frac{3}{4}$ playground with Eve. We used the school's hot glue guns for our school playground project, we used cardboard boxes to make our school $\frac{3}{4}$ playground. In Maths we learned about vertical addition THE END OF MY SCHOOLS NEWS!

**Our school* is taking part in the
Wonder Recycling Rewards campaign this term.**

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school* with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school* earns!

Collections close 7th July.

Tip for collecting:

Use one empty bread bag to collect a bunch of other bags.

Did you know?

Last year, schools collected over **10 tonnes of soft plastic**, that's the weight of an elephant!

LET'S GET COLLECTING!

* Includes early learning centres and pre-schools.

Tag [@wonder.australia](https://www.wonder.australia) [#wonderrecyclingrewards](https://www.wonderrecyclingrewards) to share all your recycling champion stories!
