

Newsletter

Monday the 29th May is a Curriculum Day (Student Free Day).

Our teachers will be working collaboratively to moderate student results in preparation for the Semester 1 Reports that will be sent out on Compass on the **19th June**. The reports will provide a point in time assessment of where each student is at in relation to the Victorian Curriculum. Families will have an opportunity to discuss the report with their classroom teacher on the **21st June at the Parent/Teacher Interviews**. Information about how to book an interview time will be communicated over the next couple of weeks.

Curriculum Day (student free day)
29 May

We are currently accepting enrolments for Prep 2024.

Students who live in our school zone or who have siblings at the school will be guaranteed enrolment. Enrolment forms are available on our website and at the school office. While the forms do not need to be submitted before **Friday 28th July**, we do ask all our current families to get their enrolment forms in as soon as possible to support us with planning for 2024. Families of students who live outside the Carrum Primary

School Zone and would like their child to be considered for enrolment in 2024 need to complete an 'Application to Enrol' and submit it to the office either in person or via email by the **28th July**. We will notify families by the **11th August** if these applications are successful. Information relating to our tour, transition dates, enrolment documentation and instructions on how to enrol your child at the school can be found by visiting the enrolment page on our website carrumps.vic.edu.au/enrolment.

We have seen an increase in the number of students with colds, flus and COVID-19. Please continue to discuss the importance of maintaining good hygiene practices with your children to help them stay safe and healthy. It is important to know that if your child does contract COVID-19 they need to stay home for at least 5 days and until symptoms subside. Thank you for your help in keeping the community safe.

**Sushi Day
2 June**

Looking ahead we have ten students competing in the Division Cross Country on Tuesday 30th May at Karkarook Park Heatherton. This is a great achievement and we are very proud of them for qualifying for this event. Mr Vansittart will be there to support all the runners. Thank you to the parents who are transporting the students to and from the event.

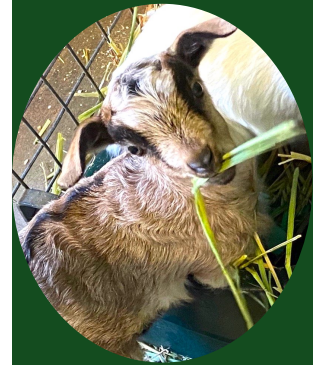

Finally, I wanted to thank Mr Mulcahy and all our students who participated in the 'Big Green Schools Conference' last Friday.

It was great to welcome 13 local schools to Carrum Primary School and provide opportunity for students to share ideas about how to make their school more sustainable. Our team of keynote speakers did an amazing job sharing the biomimicry project they are working on with the Royal Botanical Gardens Education Team. The conference was another great opportunity for our students to think big and come up with ideas to solve real world problem.

Have a great end to the week!

*Best regards,
Clem Langford
Principal*

Celebrating 122 Years 1901-2023

**Our school* is taking part in the
Wonder Recycling Rewards campaign this term.**

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school* with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school* earns!

Collections close 7th July.

Tip for collecting:

Use one empty bread bag to collect a bunch of other bags.

Did you know?

Last year, schools collected over **10 tonnes of soft plastic**, that's the weight of an elephant!

LET'S GET COLLECTING!

* Includes early learning centres and pre-schools.

Tag [@wonder.australia](https://www.wonder.australia) [#wonderrecyclingrewards](https://www.wonderrecyclingrewards) to share all your recycling champion stories!

ARE EXCITED TO INTRODUCE
