

TERM 2

22 JUNE 2023

Carrum Newsletter

Well done everyone for contributing to an amazing Semester 1. There has been so many fun things to learn and do at Carrum Primary School. Even today we saw our Prep students go on a walking excursion, Junior School Council ran another Pyjama Day and tomorrow for our last day of term we will have multi-aged activities for everyone to enjoy. A big thank you to our staff and families for the way you continue to work together to support our students with their learning.

**Last Day of
Term 2
23 June
(2.30pm
finish)**

On Monday the Semester 1 Reports were shared via Compass. I encourage all families to go through the report with their children. As a father, when I read through the report with my children my number one focus is always on my their effort and behaviour. I always felt that if they try their best and behave well at school the learning will follow naturally. Try to celebrate their success with them and look at the areas of development as opportunities for learning growth and improvement.

On Wednesday it was fantastic to see

Celebrating 122 Years 1901-2023

so many parents meet with the teachers to discuss their child's progress. If you were

unable to attend a meeting and would like to speak to your child's classroom teacher, please contact them at the school to arrange a time.

Further, my door is always open and if families would like to discuss anything with me, please contact me at the school. I did also want to share the quote of the night

that came from one of our teachers who said... 'It is nights like tonight that are a continued reminder of how lovely our families are.' Thank you to our families for your positivity and support with educating your children.

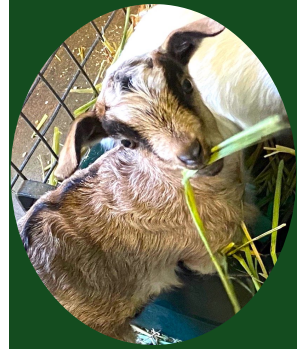

As part of our wellbeing program, our teachers continue to work with the students during circle time and class time to teach our respectful relationships curriculum. This term we have continued to focus on the

value of respect. Teachers have focussed on respectful communication and the way we behave and talk to everyone at the school. While students will

not always get this right our teachers continue to support them with these interactions to help them do better next time. Teachers will continue to be looking for students in the yard to give Pupil Power raffle tickets to, for displaying respectful behaviours. Last week I think we had more students nominated for this award than ever before so well done to all the students whose names were on the spinning wheel at assembly.

As communicated through Compass, we have had more staffing changes for Semester 2.

Celebrating 122 Years 1901-2023

Mrs Hodges will be taking Long Service Leave for the rest of this year and Mrs Bianca Chivotti will be replacing her. Bianca comes with a background in dance and drama and will be teaching our Performing Arts program next semester.

We continue to see an increase in the number of students with colds, flus and COVID-19.

We have also had a number of staff unwell, and we continue to need to be flexible to cover any absences.

The silver lining being that sometimes staff being away has allowed me to get back in the classroom and teach from time to time. We do ask that over the holidays families continue to discuss the importance of maintaining good hygiene practices with your children to help them stay safe and healthy. Please remember, that if your child does contract COVID-19 they need to stay home for at least 5 days and until symptoms subside. Thank you for your help in keeping the community safe.

Finally, the school term finishes tomorrow at 2:30pm. We will have a shortened lunch time 1:30-2pm followed by assembly at 2:10. Students will then be dismissed from their classrooms. We hope everyone has a safe and restful holiday and we will look forward to seeing all the students back at school on Monday 10th July for the start of Term 3.

*Best regards,
Clem Langford

Feedback

A huge thank you to the families that provide us with extremely valuable feedback on 'Resonate'. We absolutely love hearing your thoughts!

COMING UP

This week our theme is 'Party Week' and we will be completing various themed activities such as balloon keep up, creating party hats and pin the tail on the donkey.

We have recently begun 'Fun Fridays' here at Carrum TheirCare and the children have been loving it! We've decorated cookies and cupcakes in previous weeks and this week we are making chocolate and coconut crackles.

Holiday Program

Our excitement is growing for the upcoming Holiday Program! Our theme these holidays is "We Can Be Heroes". We are calling all junior heroes to join us in the activities, incursions and excursions planned such as a trip to the trampoline park, crazy climb and the movies and much more!

Bookings are open now, it is sure to be super!

Reminders

Please keep your bookings up to date. This ensures we can organise adequate menuing, staffing and programing for the service. This will also aid us during the sign in process for after school care sessions.

If a child is on the After School Care roll but has not arrived, our policy is to call the parents/guardians. If we can't get hold of contacts by 4pm the next stage is to inform emergency services (000).

Foster Care

Nurturing who they are and who they want to be

As a parent, you know that every child and young person is unique, resilient and has abundant potential.

Childhood is one of the most important times in life. It's a time for discovery, growth, exploration, and learning—a time for making connections that shape who we become.

Berry Street foster carers play a vital role in supporting a child's journey and in nurturing their uniqueness. With your time and care, you can encourage and empower a child or young person who has experienced trauma to grow, develop and feel safe.

Whether it's supporting a child to feel safe and build their trust in adults, exploring their interests and developing new hobbies, or encouraging a young person that their dreams are valid, being a Berry Street foster carer is a deeply meaningful and crucial role. And one which each carer brings their unique life experience and skills to.

Join our community of foster carers and help make a positive impact on a child's life.

Backyard hens key to increasing self-sustainability

Many people either own backyard hens or know of someone who does. The growing popularity has largely been due to families wanting to become more self-sustainable. So why is keeping backyard hens so good for your family?

Well, hens make for fantastic pets! Our breed of hens are Hy-line Browns which are extremely friendly and placid. They love company and like nothing more than to spend time interacting with their owners. We hear lots of entertaining stories from our customers such as their hens going on school runs, on swings with the kids, and happily jumping up onto their laps.

Good egg-laying breeds like our Hy-Line's also quickly pay for themselves by providing your family with highly nutritious and delicious eggs throughout the year. Their eggs are high in protein and minerals but low in calories. You also have peace of mind knowing exactly how your hens are treated and what food they have eaten.

Of course, you can't get more "local" food than what you get from your own backyard! When combined with a vegetable garden, your family becomes far more self-sufficient and able to live more sustainably. If you really had to avoid social contact, your hens and vegetables could keep your household well fed over the long-term.

Hen ownership also teaches children some important, practical lessons about life. Not only do they need to be responsible for feeding and providing water for their hens but they must collect eggs daily and keep the coop clean and safe. Excess eggs can also be sold or given away to friends and neighbours which is a great way of benefiting others in your local community.
