

# Carrum Newsletter

Hi folks, I hope you have had a great week!

**Congratulations to Karin Dudley on her 35 years of service with the Department of Education.** On Tuesday evening, Karin was invited along to a celebration organised by the Department where she was recognised for this remarkable achievement. We are very fortunate at Carrum Primary School to have such an amazing teacher and beautiful person on staff. Karin has been an influential teacher, taking on many roles over the years and in particular, she has been our Literacy Guru over the last couple of years. Karin has been a terrific mentor for teachers and an amazing educator for the children of Carrum over the years. On behalf of all the teachers, students and the Carrum community, thank you Karin for all the wonderful work you have done over the years!!

## Foster Care

### Nurturing who they are and who they want to be

As a parent, you know that every child and young person is unique, resilient and has abundant potential.

**Childhood is one of the most important times in life. It's a time for discovery, growth, exploration, and learning—a time for making connections that shape who we become.**

Berry Street foster carers play a vital role in supporting a child's journey and in nurturing their uniqueness. With your time and care, you can encourage and empower a child or young person who has experienced trauma to grow, develop and feel safe.

Whether it's supporting a child to feel safe and build their trust in adults, exploring their interests and developing new hobbies, or encouraging a young person that their dreams are valid, being a Berry Street foster carer is a deeply meaningful and crucial role. And one which each carer brings their unique life experience and skills to.

**Join our community of foster carers and help make a positive impact on a child's life.**
