

TERM 3

31 AUGUST 2023

Newsletter

G'day Carrum Primary! It has been an excellent week this week and we have some things to look forward to. On Friday, we have the **Father's Day Breakfast BBQ** before school, so make sure you bring your dads or grandpas to celebrate with them. We also have the Subway lunch tomorrow, which I am definitely looking forward to.

Last Friday was also a big day, as we had the **STEAM Design and Maker Conference**, and our 5/6s put together their own workshops to teach many schools about what we do here at Carrum Primary School.

In other news, this Tuesday is a planning day, so we'll be doing our **dance videos** in Performing Arts, and having fun at Specialists all day.

This week marks the 3rd last week of term so we are getting closer and closer to the end of the year. Well done on another good week of learning, and have a good weekend.

Cheers, Eamon
School Captain

**Father's Day
Breakfast BBQ
1 September**

Celebrating 122 Years 1901-2023

In 3/4

These past few weeks the 3/4s have been having lots of fun. We are

being creative with our **Inquiry Projects** and in our Performing Arts classes. We are also all really excited for those people who are going to district athletics next Friday.

A few weeks ago the 3/4s went on a fun trip to the **Moonlit Sanctuary**. We all got to see baby kangaroos and we all got to feed them as well as baby wallabies.

We have all been studying **poetry** in reading and writing and completing free choice writing every day. We have been writing our own poems. Miss R and Miss Murray wrote a poem about the evil bunny and it is really funny.

In **STEAM** we are completing projects about animals. We have also been working hard on dioramas, or our **Minecraft** projects of habitats of where animals live. It is so fun to see what we do. At the end of term we are also getting a **3D model** of the animal that we are researching.

This week in **maths** the 3/4s have been playing with **money** and pretending to buy stuff and knowing how much change you get back. The 3/4s have been having fun playing with the money.

These last few weeks all classes have been learning new dances. For the 3/4s we have been doing **percussion power**. It has been lots of fun dancing a new dance and thank you Miss Chiovitti for all your hard work teaching us the dances.

Thank you for reading about all the fun stuff we have been doing in the 3/4 area.

Cheers, Shapi & Safia (3/4D)

**Prep Father's
Day Fun
1 September**

**Prep Tool
Expo
11 September**

In grade 1/2 we have been having lots of fun.

In math's, we are working on division. First, we do a card/Maths game. Then division activities

In Sport we have been starting footy

We were practising our skills like kicking and handball.

In Writing we have been doing persuasive Father's day writing we strongly believe our learning is the best in it!
