

TERM 3

14 SEPTEMBER 2023

Newsletter

On Tuesday the 12th of September the Year 5/6 cohort were fortunate enough to be a part of author **Andy Griffiths '169 Story Treehouse' book launch** which is the final book of the Treehouse Series.

The State Library of Victoria organised a zoom session where we submitted drawings and asked questions about his books and life. Andy is a very passionate writer releasing his first book at 37 and is still writing today. Andy Griffiths realised he wanted to be a writer at the young age of ten.

**Last Day of
Term 3
15 September
(2.30pm)**

From the session we learnt a lot about his journey and new writing tips and tricks; one of them being how he tries to write as fast as he can for 15 minutes, he also talked about 'an idea a day' where he jots down story ideas everyday till the end of the year when he has 365. Finally, he told us to look at books, reading, toys and TV to feed our brains.

We were extremely curious as to how Andy got his ideas for the treehouse series, after listening to him we found that most of his ideas

Celebrating 122 Years 1901-2023

came from Terry Dentons drawings. **The favourite book he read as a child was The Magic Faraway Tree.**

Cheers, Hannah And Lily 5/6B

This week in 3/4, we've been learning about length and how to measure things accurately. In writing we've been writing lots of different poems. We've written rhyming poems, acrostic poems, haiku poems, diamante poems and cinquain poems. In inquiry

we've been sharing our presentations on the animals that we researched earlier in the term. It was really great to listen to everyone and have a go at speaking in front of an audience. **This week we are going to be doing fun footy day activities and we're all excited for Camp Rumbug next term.** There will be lots of fun activities on camp, like the giant swing, flying fox and canoeing.

3/4C is easily the best 3/4 class.

By Thomas (3/4C)

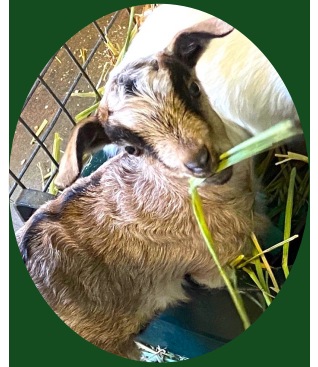

**Carrum Beach
Patrol
30 September**

This is what we have been learning throughout the term.

In writing we have had fun while the bins have quit. We had to write persuasive text to make them come back. Doing the persuasive text about our dad's being the best was also very fun.

In maths we have been learning about division and time. Division was a bit tricky for me at first but I know that I have gotten better at it.

**3/4 Camp
11-13 October**

With time I liked when we made the clocks and I also enjoyed the videos that we watched.

Inquiry we have been making some machines that have an ability to help the environment in some way. We have also had fun going on an excursion learning about rubbish sorts and how we can help it to stop hurting the environment.

MathsOnline
YOUR ONLINE MATHS TUTOR

To speak to
someone about
MathsOnline,
call us at
1300 882 045

MathsOnline is the perfect online maths program for families. It consists of over 1,400 video tutorials and 50,000 interactive questions developed by experienced maths teacher, Pat Murray. MathsOnline helps guide your children lesson by lesson allowing them to pause, rewind and repeat all or part of any video tutorial until they fully understand it.

Covering Kindergarten through to Year 12, MathsOnline is a comprehensive, current curriculum based tool ideal for all families.

MathsOnline features:

- ✓ Clear step-by-step video tutorials
- ✓ Interactive questions and worksheets to test understanding
- ✓ Printable one-page summaries with complete notes
- ✓ Worked solutions showing each step to the answer
- ✓ Automatic marking and progress reports to highlight areas needing support

Over 290,000 children are already using MathsOnline.
