

Carrum Newsletter

Thank you to the families that helped with the Referendum Day BBQ. We were very lucky to have so much support throughout the day and we were able to raise money for the outdoor learning space near the oval. This term we have several fundraisers that will help raise money for this project. Next week we have our amazing Trivia Night on the 27th of October and on the 15th of November we will be holding our Colour Run on the oval. Information about all these events have been shared via Compass. The Building and Ground

Subcommittee are working through concepts to develop this area into a useable space. Ideas include a yarning circle, workspace and sand pit area. This is an exciting project that will come together over the coming months.

It was fantastic to welcome so many families to our school at the Prep Parent Information Evening. Our current Prep teachers were able to share important information about what parents can do to support their children to be ready for school at the beginning of next year. For those families who were unable to attend the session we have emailed everyone a copy of the presentation and our teachers are also happy to answer your questions if you contact us at the school. During November and December, we will hold our Prep transition sessions for our children who are enrolled for next year.

**Preps Big Goose
Excursion
20 October**

**Carrum PS
Trivia Night
27 October**

Please see the dates and times listed below:

Tuesday 21st November (9:15-10:50am)

Tuesday 28th November (9:15-10:50am)

Tuesday 5th 1st December (9:15-10:50am)

Tuesday 12th December (9:15-10:50am)

These sessions will be a great opportunity for the children to gain an understanding of what school will be like. The teachers will also use these sessions to gain a better understanding of the needs of the students.

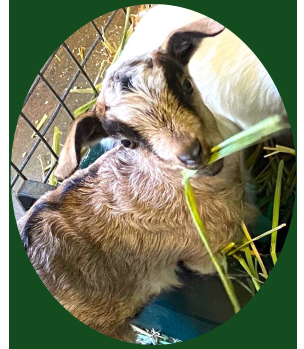

To support whole school transition, we will also be holding 'Up Sessions' for our students in Prep to Grade 5 on these same days. During

these sessions our teachers will support all students to best prepare them for the following

year and start the process of class allocations for 2024. Please note that the students will not be in their class groups or with their 2024 class teacher during these sessions. Students will meet their teachers on Monday the 18th of December in the morning session. As part of this planning stage for next year, parents and carers with genuine concerns about their child's learning needs, are given the opportunity to put these reasons in writing to me by Friday 10th November. Please remember that while we will consider these requests the process of placing students in grades is a very long and comprehensive one and the needs of the whole school will be considered. All requests must be limited to the specific learning needs of your child.

On Wednesday, we had three students competed in the Regional Athletics Carnival at Casey Fields. Well done to Sanne, Olivia and Leo who tried their best in their chosen events. Well done too all of them for the amazing achievement of making it to the regional finals.

I have some sad news to share as one of our Goats, Barney, developed

**Colour Run

(student free
day)
20 November**

Celebrating 122 Years 1901-2023

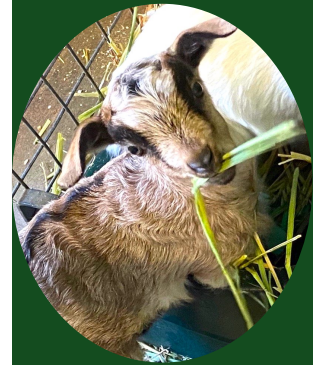

blader stones last week.

This is something that male goats can develop and unfortunately, despite having an operation to remove the stones, Barney did not recover well from the surgery. On Friday we had to make the decision to have him put down. Barney will be dearly missed by the staff and students.

Finally, a big congratulations to our 3/4 students, teachers and parents who participated in their recent school camp. The teachers said that the students had a great time and worked together across the three days. We really appreciate the work of our staff and parents who supported the students and gave up their time to make sure the camp was a success. Thank you to everyone for your hard work.

Have a great weekend everyone.

*Best regards,
Clem Langford
Principal*

SPEECH BITES

DLD Developmental Language Disorder

1 IN 14 people have Developmental Language Disorder (DLD), an invisible, lifelong disability.

DLD is the accepted term in English-speaking countries replacing specific language impairment, language disorder and language delay.

DLD is a diagnosis given to a person who has **difficulty talking and/or understanding language**.

Diagnosis is made by a speech pathologist however a person with DLD may need support from other health professionals.

DLD affects an individual's life, **regardless of their nationality and language**. Speaking more than one language does not cause DLD.

SIGNS OF DLD | People with DLD will often:

find it hard to **understand words, follow instructions or answer questions**

struggle to **find the words to express ideas**

have trouble saying words in the right order, engaging in conversations or telling a story

have **difficulty paying attention**

experience **challenges with reading and writing**

struggle to remember what they have been told

Learn more about DLD at TheDLDProject.com

Celebrating 122 Years 1901-2023

The site at Seaford Kindergarten is being redeveloped in 2025 by Frankston City Council to provide more kindergarten places and hours within an integrated building!

This flyer has been produced by the Staff and Management of Seaford Kindergarten.

What makes us Seaford Kindergarten?

- Run by the community through a Parent Committee of Management.
- A passionate, dedicated and dynamic staffing team.
- Our History! More than 60 years as Seaford Kindergarten on this current site, providing education and care to Seaford's children and families.
- Connections with families, the local community and unique natural environment.

What can I do?

- Contribute your ideas through the online council consultation platform. You can use the ideas on the left to help us maintain the unique feeling of Seaford Kindergarten.
- Share the news about the new development with others.
- Email or write letters to us about what you love at Seaford Kindergarten.
- Keep an eye out for updates from Frankston City Council or Seaford Kindergarten.
