

Newsletter

Hi everyone, I'm Avery (School Captain) and I'm Martie (STEAM Captain). This week some of the students went to Dandenong Oasis for swim team trials. I was included in that small group of people.

Expect some change to our school by the end of Term 2 because Grade 5/6A are working on a 'Dreaming Track' that will link our Bush Tucker Garden, Log Jam, 1/2 Rotunda, and the Yarning Circle. With the help of Alan Johnson, Koorie Education Support Officer for our local schools, we will be creating a new space for all students to discover and enjoy.

Cheers, Avery and Martie

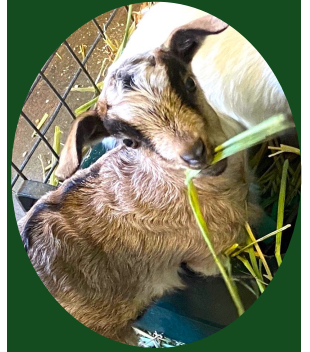

Hi Carrum peeps, it is Clemmie and Lacey letting you know about an important announcement. A team of eight (including us) have come together to accomplish a very important goal. We are putting our heart into

creating a website about frogs and wetlands.

We have used Tinkercad to create little frogs and then 3D printed them. These frogs will be used to hold a barcode that we will create, when you are dropping your

kids off or picking them up you will be able to scan these barcodes and it will take you to a website "Wetlands Matters!"

On this website you will be able to read what we have been learning about and you will hopefully be able to spread awareness of our precious frogs.

**Curriculum Day
(Student Free Day)
23 February**

This website will include frog calls, great photos of frogs, interviews with experts, facts about our wetlands, and many more elements. That's all for now. Standby for more updates!!

Cheers, Clemmie and Lacey

This week in 3/4 we have been learning about Celebrations and Commemorations in Inquiry. For reading we have been using our senses to visualise in our minds and drawing what we hear, see, taste, feel and touch. In our first kitchen class we made Sushi and I am pretty sure it was the best Sushi we've ever had and made. In sport we are practicing for Athletics Day next month. We were practicing our high jump, shot put, and discus. In writing we choose a picture and we are now up to our third paragraph for our narrative. For maths we are learning place value and using the M.A.B blocks. In visual art we did our self portrait and all of them were very

colourful and unique! For Mandarin we have been learning about the Chinese New year and the monster named Nian. In STEAM the grade threes and fours are learning how to operate the chrome books and Google Education. We have also started Icy Pole Wednesday, and it is a

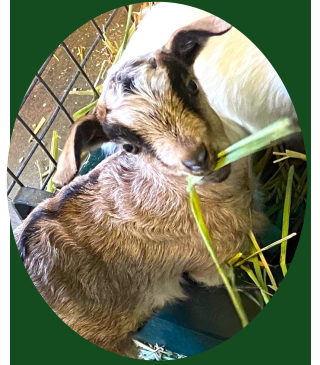

curriculum on Friday the 23rd of February 2024.

By Maliyah and Summer (3/4D)

**Carrum Athletics
Day
6 March**

This week we have been learning about a Stature of a recount.

A couple of us did a performance last week to Feel Better When I'm Dancing. This week we are doing a nother one to Taylor Swift Shake it off.

As well as that we are leaning about the weather which has been my farm to lean about.

Mabel 112B

3/4 Swimming
18 March

This week we have been learning about weather in Inquiry. ~~What~~ What my favourite things ~~are~~ are that we have been doing ^{fun} games in maths and if we win our class points we get a game ~~on~~ on the oval or the basket-ball court.

Milo 1/2B

Magnificent 7

Every week we will be interviewing the teachers at our school. We'll challenge them with 7 questions. Our first teacher under the spotlight is Mr Will Barnett. Please click on this link to see how he goes: [Magnificent 7](#)

Visit our Open Day

Saturday 16 March • From 10.00am

During this event you will have the opportunity to attend one of two sessions at **10.00am** or **11.00am**. Each session begins with a Principal's Address, followed by a College tour and will conclude in the Information Centre, where staff will be available for questions.

While visiting, experience our interactive STEM Room and busy Science Labs, sample fresh baked goods from our kitchens and be entertained by our Performing Arts students.
