

Carrum Newsletter

Well done to everyone on a fantastic start to the year. It is hard to believe that Term 1 is now complete, and we have two weeks of school holidays to look forward to. I especially like to congratulate our Prep students on completing their first term and settling into school so well. Our staff continue to be impressed at how well they are connecting with their classmates and having fun learning new concepts at school. I would like to thank our amazing families for their support with their transition to school. Together we will continue to support them on their learning journey at Carrum Primary School.

**Last Day of
Term 1

(2.30pm

Well done to our 3/4 students who completed their swimming program today.

The students attended 8 sessions at Waves Swimming Centre. Despite a false start with the bus company, the program was a great success. Students loved their swimming lessons and learnt technique, as well as, how to be safe in the water. These skills are essential in their development and ensuring they are safe when swimming at home or at the beach.

As we have come to the end of term, I ask all parents/carers to update any unexplained absences on Compass.

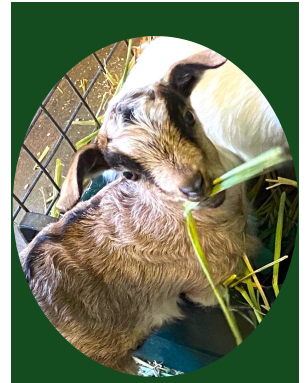

Our Well-being team continue to do a lot of work to support the children to attend school as much as possible. This data is used to assist them with this work. It is also a legal requirement that parents inform the school of the reason their child is away. If this is not up to date, we will be required to contact families to get an explanation for their absence. To avoid this please ensure that you have updated any unexplained absences in Compass.

Further, we know that student information, medical conditions, family living arrangements and contact details can change over time. It is important that we have up to date information to ensure we can support all students as best we can. If any details have changed since your child was enrolled at the school please contact the office to update this information as soon as possible.

Over the term we have participated in a number of inter-school sport activities. Mr Vansittart and Mr Canning have worked with our Swimming team and supported them while they competed at District and Division

finals. We have also been involved in regular summer inter-school sport with the local schools, culminating with the lightning premiership on Friday 22nd March. Our students participated well in these events and enjoyed competing for the school. As a school we also held our annual Athletics Carnival on Wednesday 6th March, which was a great day. Thank you to Seaford Little Athletics and Patterson River Secondary College for their support with

running the event. Again, our student did very well and Mr Vansittart will use these results to select our Athletics team for later in the year. A big congratulations to Hume House, who must have some champion athletes, as they have won the House Athletics trophy for 2024.

Looking ahead, Term 2 begins on Monday 15th April.

It will be a busy term with a variety of incursions, excursions and camps. Please keep an eye on Compass for any upcoming events. The teachers have worked with the students this term to develop exciting learning programs based upon their interests and our staff are looking forward to another great term of learning at Carrum Primary School.

Finally, I would like to once again thank everyone for their contribution to our learning community. We are lucky to have such great Families and staff connected to our school and I hope you all have a great Easter.

*Best regards,
Clem Langford
Principal*
