Last Tuesday, our School Captains went down to the Seaford RSL to represent our school and to lay a wreath in remembrance of our soldiers that served and died in war.

On Thursday, Avery and I (Mia) MC'D The Dawn Service at The Beauty Spot in Carrum. Our speech included the story of one of Carrum's fallen soldiers, Private Cecil Andrews whose name is on the monument, we also laid two wreaths in remembrance of our soldiers. From what I've heard, there was over five hundred locals who

came! This was a huge honour to be placed in a big role on such an important day.

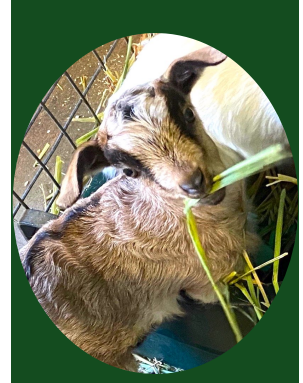

*Cheers, Mia
(School Vice-Captain)*

This term in 3/4 has been very fun doing P.E, STEAM, Art and a lot of other subjects. In maths we are learning how to read time and learn time to the minute. In writing we are learning persuasive texts and our persuasive topic is why the school MUST get a pool and we were super lucky to have Mrs Kennedy. In Kitchen we have been making carrot squiggles, brown rice salad, gnocchi and pesto. In P.E we are learning how to play soccer and all the rules about it and even played a lot of real games. In STEAM we are going to unleash a lot of imagination because we going to be building our own imagined house using 3D modelling with Tinkercad. We think this term is already very fun but will be fun in the future as well.

Last week at PE we played soccer.

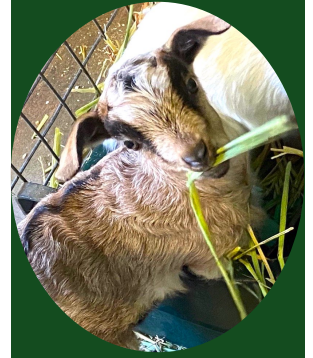

By Elsie P

Last week my buddy Maverick came to watch me play footy at Roy Dore Reserve. At half time he yelled out my name and started waving to me. All the boys and I saw him and waved back. He stayed for the rest of the game, and when we were going into the club rooms he came over to me and gave me a high five.

When we were about to leave, all the boys and I got around him and thanked him for coming. It feels really good to have such a great buddy. I can't wait to do heaps of other awesome stuff with him this year.

Cheers, Leo (5/6A)

Tuition Dynamics

Students of all ages are tutored in private one-to-one lessons. Children are taught in a positive and nurturing environment. The tuition sessions are designed according to the student's individual needs, which are regularly evaluated and form part of ongoing assessment. I personally tailor to the needs of each student, which is delivered in a positive learning environment designed to foster self-esteem and motivate students to achieve their full potential. Students with special needs are also catered for.

The core work covers the following:

READING: To develop Comprehension, Accuracy, Fluency and Expanded Vocabulary.

WRITING: Examines the different genres and includes writing organisations for each genre, essay writing, spelling, punctuation, grammar and editing skills.

MATHEMATICS: Covers Numeracy & Algebra, Measurement & Geometry and Statistics & Probability

EXAM PREPARATIONS: These helps identify the student's progress and help develop skills for NAPLAN, scholarship and entrance exams.
