27 JUNE 2024

Newsletter

Well done to all our students on a fantastic Term 2. We are very grateful for the amazing support of our families and together we continue to create an outstanding learning community at Carrum Primary School.

A huge thank you to all our staff.

As a team they work so well together at educating all our students. The work they do is very complex and our ES and Teachers continue to provide adjustments, supports and extension tasks to meet the learning needs of the children in their grades. Recently we received the results of our students' **Attitudes to School Survey**. Below are results from specific focus areas we reflect on as part of our schools Annual Implementation Plan:

- School Connectedness- 90% Positive endorsement**
- Stimulating Learning Environment- 98% Positive endorsement**
- Effective Classroom Behaviour- 92% Positive endorsement**
- Managing Bullying- 92% Positive endorsement**
- Self-Regulation and Goal Setting- 96% Positive endorsement**

These results show the percentage of students in our Grade 4-6 area who gave positive responses to questions relating to each of these important aspects of our school climate. The results are well above similar and state benchmarks and is a credit to all our students and staff. We are

very proud of the school culture we have at Carrum Primary school and know that this is due to the hard work of our staff, students and families.

Last week our Prep students went on an excursion to the Moorabbin Airport Museum.

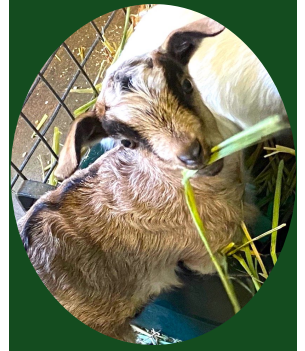

I have been lucky enough to read some of the students recounts of the excursion this week and it appears they all had a great time. Funnily enough one of the best aspects for all the students was the bus drive to and from the museum. I am not sure it was meant to be the main attraction but nice to know our students appreciate going riding on a bus!

I wanted to let everyone know that I will be taking long service leave for the first three weeks of Term 3. In my absence, Cassie Kennedy will take on the responsibility of Acting Principal. Please reach out Cassie if you need any support with something while I am away.

On the 5th August our staff will be participating in the third of our Berry Street professional learning sessions. This work is making a big difference for our staff and students. We clearly see the positive impact our consistent, predictable routine are having for all our students. This professional learning day will be a **Student Free Day**. Their Care will be running their Curriculum Day program for parents who need to access it.

The Semester 1 reports have now been shared via Compass. It is important that parents and careers take the time to go through the reports with their children. Our teachers spend many hours writing the reports to provide feedback to the students and their families and this information will support your child to know what they are doing well and what they could work on during Semester 2. We have also held our parent teacher interviews which went very well. If families did not get a chance to meet with their

child's classroom teacher we are always open to making a time next term to discuss their progress.

Finally, the term ends tomorrow at 2:30pm. The students will have a reduced lunch break from 1:30-2pm. We will finish the term with an **assembly at 2:10pm.** Students will be dismissed from their classrooms at 2:30pm.

I hope everyone has a restful holiday period and our staff will look forward to seeing all the students back at school on Monday 15th July.

A big Carrum Thank You to Bryan Dalziel who recently sourced specific plumbing materials and created some new whisper phones for the Junior School students.

Whisper phones assist our children to listen more intently to their own reading.

When they say a sentence aloud, they are able to link ideas and use their oral language skills to support their comprehension. By hearing the words said aloud, the students are able to develop an articulatory loop which supports memory retention too.

The staff and students would like to thank Bryan and Reece plumbing supplies for their generous support.
