

Carrum Newsletter

I think you would all agree that the school concert "Carrum Spirit" was a huge success! Well done to all the students and staff who performed you all looked amazing on stage. A massive thank you to all our parents who attended the performances and especially the parents who helped with costumes, props, music and graphic design. Without your help the kids and stage would not have looked so good. Finally, a very big Carrum thank you to Ms Chiovitti who has worked very hard to make sure the students had the chance to get on stage and showcase their talents. Last night's performance showed that it hasn't taken long for Ms Chiovitti to be fully Carrumalised.

**Footy Day
16 September**

We are very excited for Miss Radecki who is expecting her second child in October. We know the children in Prep A will miss her, as she has done

an amazing job at making their first year of school a very enjoyable one. I wanted to thank Miss Radecki for the work she has done, and we really value the way she makes learning fun and engaging for the students. After working through the best way to support the children until to the end of the year, I am pleased to share with you that Miss Scarola and Mrs Shaw will be teaching Prep A during Term 4. We are very

fortunate to have two experienced teachers on staff who I know will do a fantastic job at supporting the students with their learning until the end of the year. Mrs Shaw will be returning from Long Service Leave and is excited about teaching the students on Mondays and Thursdays, while Miss Scarola who has been working in the school in a Disability Inclusion role this year, will be teaching the class on Tuesdays, Wednesdays and Fridays. They will also be receiving support from Miss Dunshea and Mr Hargreaves to ensure a smooth transition for the students.

I thank you for your support with the survey.

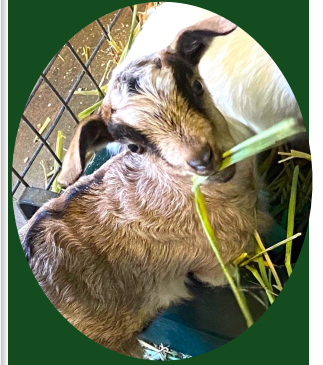

I am saddened to share with you that our long-standing traffic supervisor Terry De-Fry passed away last night. Terry was well loved by our community, and he will be sorely missed by all of us at Carrum Primary School. Our thoughts go out to his family at this difficult time.

Looking ahead, we have a few things to look forward to between now and the end of term next week. Tomorrow our Athletics Team will be competing at the District Athletics at Ballam Park. We wish them all the best as they compete for our school. Go Carrum!!! On Monday 16th September,

we will be holding our annual 'Footy Day' celebration. The day will begin with a Footy Parade at 9:15am and we hope to see all our families there in their footy colours cheering loudly for their teams. Later in the day our students will participate in a tabloid sports on the oval and basketball courts. We will have a reduced lunch break from 1:30-2pm so that we can run the footy day activities from 2-3:30pm. Then we have a big end to the term for our 3/4 students who are

School Saving Bonus

Information for government school parents and carers

About the School Saving Bonus

The Victorian Government is making life that little bit easier for families by providing a one-off \$400 School Saving Bonus.

This support will help cover the cost of school uniforms, textbooks, and school activities like camps, excursions and sports.

The School Saving Bonus is in addition to existing and continuing means-tested supports for Camps, Sports and Excursions Fund (CSEF) and the Affordable School Uniforms Program.

The School Saving Bonus will be provided to schools and families in Term 4, 2024.

Who receives the School Saving Bonus

The School Saving Bonus is available for parents and carers of all Victorian government school students from Prep to Year 12 in 2025, except for full-fee international students, home schooled students, TAFE students and students attending kindergarten in 2025.

Actions for parents and carers

Parents and carers of children who meet the School Saving Bonus eligibility above are required to do the following by **Friday 18 October 2024**:

- **Complete enrolment**

If your child, or children are changing government school for Term 1 2025, or starting Prep or Year 7 in 2025, please complete enrolment. For more information, read about [Enrolling in School](#).

- **Check your contact information**

Ensure your contact information is up to date with your school. You can check this information by contacting your school directly.

Accessing the \$400 School Saving Bonus

You do not need to apply for the School Saving Bonus.

The Department of Education will email you in November 2024 with your \$400 School Saving Bonus. You will be able to access it via an online system.

You can decide how to best use the School Saving Bonus for your family's needs. You can choose how to allocate the \$400 in the online system.

The bonus can be used towards 2025 school costs, which may include:

- camps, trips, excursions and incursions
- swimming and sporting programs
- outdoor education programs
- graduations
- school uniforms
- textbooks.

The bonus can be used at your school's approved textbook or uniform suppliers either in-store or online, or through State Schools' Relief. The list of suppliers may include a school uniform or bookshop. Any amount that you choose to allocate to textbooks and uniforms will be valid until 30 June 2025. It will then transfer to your child's school account for future activities.

Funds will roll over for use in future years if it is not all spent in 2025.

Families with more than one eligible child

Families who have more than one child at the same school can combine their School Saving Bonus payments to use on one child, or for a specific activity. So, for example, a family with 3 children who are all government school students would receive support to the value of \$1,200 and choose how they spend those funds. The School Saving Bonus cannot be combined across different schools.
