

Carrum Newsletter

I just wanted to thank everyone for their outpouring of appreciation of the work by Terry de Fry our amazing traffic supervisor.

Today I attended his funeral with a number of Carrum families and the family were very grateful for your kind words of support. Terry made a significant contribution to our community each day by ensuring all the students got to school safely and saw a friendly face on the way to school. This was a very proud part of his life and his family wanted me to pass on their gratitude for your love, care and support of Terry. We certainly will miss him and continue to think of Terry's family during this difficult time.

Finally, a reminder that Friday marks the end of Term 3.

We will hold an assembly at **2:10pm** and students will be dismissed from their classrooms at **2:30pm**.

Please remember that **Term 4 will begin on Tuesday 8th of October as Monday will be a Curriculum Day** and the last of our four Berry Street Education Model training days. TheirCare will be running their Curriculum Day program on this day.

I hope everyone has a very safe holiday and we look forward to seeing everyone back at school at **9am on the 8th October**.

Best regards,
Clem Langford

**3/4 Camp
18-20 September**

This term in 3/4 Inquiry, we have been learning all about sustaining our world by not littering and limiting our use of plastic. All of the students have been in small groups to work together on creating an idea that solves the problem of plastic on our local beach. For Math, we have been learning how times tables and division come together as fact families. In writing, we have been writing a letter to either Sonya Kilkenny, Kingston Council or the Government about our idea to solve this problem in our community.

We are so excited for camp tomorrow, it is the Grade 3's first camp. We are going to Camp Manyung in Mount Eliza. When we arrive back at school on Friday, it will be the holidays!

*Thanks for reading,
Mimie and Elliott from 3/4D*

School Saving Bonus

Information for government school parents and carers

About the School Saving Bonus

The Victorian Government is making life that little bit easier for families by providing a one-off \$400 School Saving Bonus.

This support will help cover the cost of school uniforms, textbooks, and school activities like camps, excursions and sports.

The School Saving Bonus is in addition to existing and continuing means-tested supports for Camps, Sports and Excursions Fund (CSEF) and the Affordable School Uniforms Program.

The School Saving Bonus will be provided to schools and families in Term 4, 2024.

Who receives the School Saving Bonus

The School Saving Bonus is available for parents and carers of all Victorian government school students from Prep to Year 12 in 2025, except for full-fee international students, home schooled students, TAFE students and students attending kindergarten in 2025.

Actions for parents and carers

Parents and carers of children who meet the School Saving Bonus eligibility above are required to do the following by **Friday 18 October 2024**:

- **Complete enrolment**

If your child, or children are changing government school for Term 1 2025, or starting Prep or Year 7 in 2025, please complete enrolment. For more information, read about [Enrolling in School](#).

- **Check your contact information**

Ensure your contact information is up to date with your school. You can check this information by contacting your school directly.

Accessing the \$400 School Saving Bonus

You do not need to apply for the School Saving Bonus.

The Department of Education will email you in November 2024 with your \$400 School Saving Bonus. You will be able to access it via an online system.

You can decide how to best use the School Saving Bonus for your family's needs. You can choose how to allocate the \$400 in the online system.

The bonus can be used towards 2025 school costs, which may include:

- camps, trips, excursions and incursions
- swimming and sporting programs
- outdoor education programs
- graduations
- school uniforms
- textbooks.

The bonus can be used at your school's approved textbook or uniform suppliers either in-store or online, or through State Schools' Relief. The list of suppliers may include a school uniform or bookshop. Any amount that you choose to allocate to textbooks and uniforms will be valid until 30 June 2025. It will then transfer to your child's school account for future activities.

Funds will roll over for use in future years if it is not all spent in 2025.

Families with more than one eligible child

Families who have more than one child at the same school can combine their School Saving Bonus payments to use on one child, or for a specific activity. So, for example, a family with 3 children who are all government school students would receive support to the value of \$1,200 and choose how they spend those funds. The School Saving Bonus cannot be combined across different schools.

SUPPORT YOUR CHILD'S EDUCATION WITH FREE INTERNET AT HOME UNTIL DECEMBER 2025

The School Student Broadband Initiative (SSBI) is a Federal Government initiative offering free home internet to 30,000 unconnected households with school-aged students. Households have until **Tuesday 31 December 2024** to apply. Free services will continue until 31 December 2025.

The initiative seeks to boost educational opportunities and narrow the digital divide.

To be eligible, households must:

- have a child living at home that is enrolled in an Australian school (up to year 12 including Prep)
- not have an active NBN Co. network internet service at home (excludes mobile internet services)
- live in a premises that can access the NBN Co. network via a standard connection
- not have had an active NBN Co. connection during the previous 14 days.

To be assessed, please contact the NBN National Referral Centre on **1800 954 610** or visit anglicarevic.org.au/student-internet to request a call back. Please note:

- NBN will check your nominated home address for an active NBN connection.
- You do not need to provide financial information.
- Translation and interpretation services are available.

Some families might also be contacted via their school with information about how to apply. The Victorian Department of Education has been working with the NBN to review Victorian school student home addresses. Only home addresses have been provided to NBN to check. No other personal information has been shared with NBN. NBN handles this data in accordance with privacy law.
